# Anula School Policy Statement

## Well Being

### Policy Area

#### Sun Safe Practices

#### Rationale

Anula School is a values-based learning community that has well being and connectedness at the core of its operations. Being sun safe is one aspect of the long term well being of students. Australia has the highest incidence of skin cancer in the world with 140,000 new cases and 1,000 deaths each year.

There are four factors, often occurring simultaneously, which contribute to these statistics:

- The population is predominantly fair skinned.
- Ultraviolet light from the sun is of sufficient intensity to induce skin cancer in this susceptible population.
- Social values have supported the belief that a suntan is healthy and attractive.
- Lifestyle, work, school and recreational habits in the Northern Territory expose people to the sun for long periods of time. Darwin has the highest UV rays in the country.

Skin damage, including skin cancer, is the result of cumulative exposure to the sun. Much of the damage occurs during childhood and adolescence. Research suggests that severe sunburn is a contributor to skin cancer and other forms of skin damage such as wrinkles, sunspots, blemishes and premature aging. Most skin damage and skin cancer is, therefore, preventable. This is important in young children who have sensitive and easily damaged skin.

The purpose of this policy is to ensure that ALL children attending Anula School are protected whenever possible from skin damage caused by the harmful ultraviolet rays of the sun.

#### Aim of the Policy

The aims of this policy are to promote amongst the students, staff and parents/carers:

- Positive attitudes towards skin protection
- Lifestyle practices which can help reduce the incidence of skin cancer and the number of related deaths, e.g. hats, sunscreen, suitable clothing
- Personal responsibility of their own skin protection
- Helping others to understand the need for skin protection
- Awareness of the need for possible environmental changes within the community to reduce the level of exposure to the skin e.g. plant trees, put protective shade up.

#### Implementation

As part of the general skin-protection program:

##### Students:

- Should wear suitable hats which protect the face, neck and ears such as a broad-brimmed hats, bucket hats, or legionnaire hats whenever they are outside e.g. walking to and from school, sports, outdoor excursions and activities;
- Should apply sunscreen that is SPF 30 (or higher), broad-spectrum and water-resistant 20 minutes before heading outdoors and re-apply every 2 hours.
- Who do not have their hats with them will be asked to play in an undercover area of the school;
- Who do not have their hats for sports activities/PR will remain in the shade
- Will be encouraged to use available areas of shade for outdoor play activities especially on very hot days;
- Should be encouraged to make full use of the 'bubblers' especially on very hot days.

# Anula School Policy Statement

## Well Being

### Staff

Will be asked to act as role models and are encouraged to:

- Wear protective hats and appropriate clothing during outdoor activities;
- Use sunscreen whenever appropriate;
- Seek out shade whenever possible;
- Time outdoor activities to avoid hours of peak radiation levels between 10am – 3pm all year round. Note: UV levels in NT are above 3 (high to extreme) all year round hence sun protection is needed daily.
- Ensure that adequate shade is available for use at outdoor events.

### Anula School Community Council will:

- Ensure that the school hats sold by the school are appropriate and satisfy Cancer Council guidelines;
- Ensure that adequate shade is available for use at sporting carnivals and outdoor events;
- Provide shelters and shade trees as required;
- Provide funding to resource programs on skin cancer prevention for use in the school curriculum;
- Reinforce the Sun Safety program in a positive way through the newsletter and council meetings and activities

When enrolling a child, **parents** will be:

- Informed of the Sun Safety policy;
- Requested to purchase a school hat or to provide an appropriate hat for their child's use;
- Encouraged to provide sunscreen for and to teach their child how to use sunscreen that is SPF 30 (or higher), broad spectrum and water resistant type.
- Encouraged to set an example by practicing skin-protection behaviour themselves.

### Resourcing

- Sunscreen supply to each learning area of the school and front office
- Education Officer – Cancer Council to address staff and students

### Monitoring and Evaluation

- Monitor skin protective behaviours in the school e.g. hat use, use of shade, use of sunscreen;
- Monitor the effectiveness of the classroom program activities involving skin protection;
- Monitor outdoor activities times e.g. sports, swimming, gardening, excursions;
- Review policy against Sunsmart's "Challenges" document after one year ([http://www.sunsmart.com.au/downloads/schools/primary/being\\_sunsmart\\_challenges](http://www.sunsmart.com.au/downloads/schools/primary/being_sunsmart_challenges))

### ***Attending appointments***

No children are taken from classrooms for any dental treatment. All children attending appointments are required to be accompanied by a parent or carer. Being present during the child's appointment is important to assist with building knowledge about oral health and what is required to maintain good oral health.

### ***Cancelling appointments***

Please let us know if you are unable to make a scheduled appointment. Giving us reasonable notice allows us to book another child into that appointment and to reschedule an appointment for your child.

### ***Missed appointments***

If appointments are missed, it is your responsibility to ring and arrange an alternative appointment. We will try to schedule a new appointment however due to demand this may mean your child has to wait longer for treatment. Due to high demand for service, repeatedly missing appointments without informing us in advance will result in a longer wait for future appointments.

## UNIFORM POLICY

### STUDENT UNIFORM AND DRESS CODE POLICY

#### RATIONALE

The Anula Primary-School Uniform Policy has been established to clarify expectations of students, their families and the school. The intention is to promote a sense of community, equity and self-respect and to meet departmental requirements for the compulsory wearing of school uniform by students across the Northern Territory.

Wearing a school uniform affirms the individual students' acceptance of the values of Anula Primary School. This is an integral part of participation in the life of the school, symbolising the equal basis from which students can develop and project a positive image. By minimizing the impact of the different socioeconomic backgrounds from which students come, students are given the opportunity to be valued for what they do and say, not their appearance.

The Uniform has been designed for comfort and durability in our tropical conditions and it is priced to meet the needs of the community.

#### UNIFORM REQUIREMENTS

All compulsory uniform requirements are available for purchase through the front office (with the exception of long pants and shoes) and parents are able to use the \$150 Back to School Voucher to purchase them, **in Term 1 only**.

##### Compulsory Uniform Components

Students will be expected to wear a shirt and shorts/skorts/skirt/long pants OR a dress, hat and footwear as follows:

**Shirts:** [unisex] Green patterned polo shirt with collar and sleeves - polyester

**Shorts:** [unisex] Green with zip pocket - polyester

**Skorts:** [girls] Green - polyester

**Skirts:** [girls] Plain green pleated sports skirt (available from retail stores not available from the front office)

**Dresses:** [girls] School Tartan, available from the front office.

**Long Pants:** (unisex] Plain Green, without pictures, patterns or edgings. No denim.

**Hats:** The school's sports or wide-brimmed hats are available from the front office although any hat with a full wide brim is acceptable (does not include caps, visors or beanies). In keeping with the Anula School Sun Safe Policy students are unable to play outside the covered areas unless they are wearing a suitable hat.

**Shoes:** Sandals (with a back strap), runners or leather 'school shoes' with no high heels. Thongs or backless shoes are not acceptable for school wear and runners/sports shoes should be worn for all physical education/sports sessions.

## **SCHOOL UNIFORM MANAGEMENT/ ENFORCEMENT**

The school uniform must be worn fully and correctly at all times. A child not in full uniform will be reminded by staff. If more than 3 reminders a term are given to a child, the parents will be contacted by a senior staff member to discuss the matter and negotiate appropriate consequences.

It is expected that parents will fully support the Uniform Policy and have children dress as ambassadors of our school. Parents unsure of the expected standard should contact the principal for any clarification.

## **EXCEPTIONAL CIRCUMSTANCES**

The school understands that there may be exceptional circumstances where students are unable to comply with the School Uniform Policy including students who have recently arrived at the school. In all of these situations parents are requested to contact the school to discuss their needs with senior staff in order to negotiate a mutually acceptable outcome.

The school does hold a limited supply of uniforms to lend students in emergency situations. The school requests that when these are supplied to students that families launder them and return them to the school promptly.

## **SECOND HAND UNIFORMS**

Second hand uniforms that are handed back to the school are available for students in exceptional circumstances (see above) and are used in emergency situations. When parents request second hand uniforms they will be issued and parents will be asked for a donation.

## **Providing your child's immunisation record to their school: information for parents**

### **Why do I need to supply the school with my child's immunisation record?**

If there is an outbreak of a vaccine preventable disease (e.g. measles) at your child's school, immediate access to the current vaccine status of all children helps to identify those who are at risk of getting the disease and those who are able to pass the disease onto others. If your child has not supplied an immunisation record or is not up to date with his/her vaccines, they may be excluded from school if an outbreak occurs. This is done to prevent any further spread of the disease and to protect those who are most vulnerable to complications of that disease.

### **Provide your school with one of these recognised immunisation records:**

#### **1. Australian Immunisation Register (AIR) History Statement**

This statement is automatically sent to your child's Medicare address when the 4 year old vaccines are given or when your child turns 5, whichever comes first. If your child is up to date, the AIR certificate will include the statement "This child has received all vaccines required by 5 years of age".

If your child is starting school before 4 years of age, you can obtain a copy of their immunisation record through

- <https://my.gov.au/>
- Your local Medicare Office
- Tel: Australian Immunisation Register 1800 653 809

#### **2. Northern Territory (NT) Immunisation Record**

This is a NT Department of Health issued statement which indicates which vaccines your child has received and if they are up to date. It is available from the NT Immunisation Register by phoning (08) 8922 8315.

**If your child has an immunisation record from another country that has not previously been recorded in Australia contact your health/vaccine provider for advice.**

### **What does the school do with my child's immunisation record and who has access to it?**

Your child's immunisation record is stored with their individual school file (either electronically and/or as a paper based record) If you have provided an **NT Immunisation Record** or an **AIR History Statement**, the school is able to record whether your child is up to date with the scheduled age appropriate vaccines. Access to your child's immunisation record is limited to the parent/guardian, the school nurse and the school administrative and teaching staff. In the event of an outbreak of a vaccine preventable disease at the school a public health doctor or nurse from the Centre for Disease Control may also access the immunisation record to help identify children at risk and help facilitate a public health response to that disease.

**What if I choose not to vaccinate my child or my child has a medical reason for not being vaccinated?**

Vaccination is highly recommended but not compulsory and there is no legal requirement for your child to be vaccinated to attend school in the Northern Territory. If there is a medical reason why your child cannot be vaccinated you will need to discuss these issues with your general practitioner and complete an exemption form.

**Where can I go to get my child vaccinated?**

Any community care/health centre or Aboriginal Medical Service in the NT can provide scheduled childhood vaccines free of charge and will also assist you in working out what your child requires to complete his/her recommended vaccinations according to their age. Look for Health Centres in your phone book or online for their locations and phone numbers. Some General Practitioners also administer childhood vaccines however they may charge a consultation fee.
